GENERAL INFORMATION

Our CNBTA athletes are missing twirling events, just as we are missing seeing them all perform!

As we do not know when we will be able to be fully together again, we want to offer the athletes a way to showcase their hard work from this season

Event Overview:

- The event will be an online submission of the athlete's routine to be judged by a certified CNBTA or NBTA judge. WE have had several CNBTA & USA NBTA judges volunteer to help with this event!
- The athlete will be given a 24hour time frame to upload their routine to an assigned GOOGLE dropbox (this in case of weather etc.....)
- The athlete should perform in costume as they would compete (please note a costume can constitute a sparkly tank top, and bottoms if you are worried about damage if twirling outside)
- The athlete will perform to the standard CNBTA music as per event (Solo, 2 Baton, 3 baton, etc...) music will be available on a drop box to all athletes who enter
- Once the athlete has uploaded their routine into the assigned drop box, a certified judge will judge each athlete within that drop box, and assign a standard scoresheet, athletes will digitally be sent these scoresheets....)
- A LIVE Instagram awards ceremony will be done on SUNDAY JUNE 14 at 7pm
- Awards will be sent to athletes via mail on Monday June 15, 2020. Every athlete who enters and participates will receive a memory certificate of this event.
- Routines will be kept private, and only be seen by the judge who is assigned to judge that division and will be immediately deleted after the judge has viewed the routine.
- Standard CNBTA rules will be in effect for events. See below event descriptions.
- This event will be FREE for all registered CNBTA active members, all athletes are welcome from Canada, USA, and abroad a fee of \$5.00 CAD to enter all events to assist with admin will be requested. Payment information provided below.
- This event is meant to be positive and fun, but in no way is meant to replace the IN PERSON competition environment. It will give our athletes the chance to perform and put their hard work from earlier in the season on display! Let's have fun and twirl #apartbuttogether!
- If you have any suggestions on making this event better, more fun or if you would like to assist in the administrative end, we would be happy to have volunteers! We have some fun events for all levels, ages and even some "non-traditional" twirling events! We hope to see all our members and twirlers from around the globe have FUN!
